Love2Dance Summer Schedule 2010

This summer we are proud to offer high-energy, action packed dancing day camps in a variety of themes for ages 4-11. We will also be offering our popular dance classes in a special six week session. Class selections range from Little Feet through Adult level classes. The six week session is available at a special summer rate. Classes run June 28th - August 6th. Camp dates, times, and fees are listed on the following page. We hope that you and your family will join us this summer for camp and class.

Dancing Day Camps

Love2Dance camps run Monday-Friday from 10:00-2:00. Camps are taught by qualified-professional dance instructors in our air conditioned studio; all campers will receive a free camp T-shirt and an ice-cream sundae party. Love2Dance summer camps offer fun and excitement while providing an opportunity to express creativity, make new friends and increase self-esteem. Students will learn hip-hop, jazz & novelty styles of dance and participate in singing and arts & crafts all set to an exciting theme. A performance showcase will be held for the parents at the studio on Fridays at 1:45.
