Welcome to Love2Dance

Welcome to our Spring 2012 session of classes! Our spring schedule and a registration form are attached and are also available on our website, www.love2dance.biz.

The Love2Dance instructors are busy choosing music and choreographing for the upcoming semester. We are excited to see all of our new and returning students at the studio in a few weeks. The semester begins the week of January 23rd.

Please save the date for our performance which will be held at the Civic Center on **Saturday, May 26th at 6pm**. Our upcoming performance, "Let's Get Loud" will incorporate latin inspired upbeat music celebrating the rhythm of life by popular artists such as Jennifer Lopez, Shakira, Pitbull, and Enrique Iglesias to name a few. As usual, our classes will emphasize proper technique, conditioning, awesome dance steps, fun upbeat music and positive energy.

This session, we welcome two new instructors: Dana Cash and Aimee Dietrich to our teaching staff. We are also offering several classes that do not require costumes for our performance, (please refer to the footnotes on the schedule to determine if a costume is required).

Please contact the Love2Dance office with questions regarding availability and class placement. Remember to submit your registration form in the mail or by dropping it off at the studio as soon as possible. This semester we will be enforcing our class sizes. All students must send in a registration form to register.

New to the Studio?

Love2Dance classes run in 16 week sessions. Students may register for one or more classes, however classes are not interchangeable during the session. Class payments are due every 4 weeks; refer to the calendar below. Please ensure that payments are received on time. Monthly statements and invoices will not be mailed home, unless a written request is made by the parent. Late tuition payments will be charged a fee of \$15 per month.

Parents may view the first and last five minutes of class. Please wait in the back of the studio or leave during class time and refrain from sitting in the main studio. Students tend to perform better if parents are not in sight.

Love2Dance has 2 performances per year at the end of the 16 week session. The professionally run performances are held at the Marin Civic Center Veteran's Auditorium, and all students are encouraged to participate. Choreography for the shows will be taught to the class. Students who do not wish to be in the show may still participate in dance class, however, they will need to discontinue class one month prior to the show.

Our performances are an exciting time for all of the Love2Dance students. Dedication, hard work, and energy create an unforgettable experience. Most participants will be required to purchase costumes. A \$35 performance fee is charged per participant.
